THE TALISMAN STAFF, THE FACULTY, and THE STUDENT BODY dedicate the 1974-75 TALISMAN to the Senior Class in recognition of their completion of five years of attendance and work in Rose Garden Academy.

Six of the seniors entered as eighth graders the year the school was organized, 1970, and have continued to support the purpose and ideals for which the school was founded—to furnish quality education under ideal conditions.

We wish for each senior the best of everything in life, and may you always remember your days at Rose Garden as the happiest of your lives.

GOOD LUCK! and GOD BLESS YOU!
